

TRANS4 S.A.

*INTEGRATED
TRANSPORT SERVICES*

TRANS4 SA is the 4PL evolution of SICILIA TRANS, founded in 1989 and still active in transportation up to today, successfully.

OUR MISSION

Is to provide a wide range of services to meet the ever-increasing demands of customers who wish to classify, repackage, store and distribute their products in an economic, efficient and effective way at the temperatures they desire (dry, conservation, refrigeration).

Located in Patras and its strategic port, we are operating throughout Eastern and Western Europe and our major customers are famous supermarkets.

TRANSPORT & DISTRIBUTION SERVICES ACROSS GREECE

TRANS4 delivers your products to any destination you choose across **Greece** and Europe in an economic and effective way. Using it's own trucks, TRANS4 guarantees deliveries on time and always according to customer's needs and demands.
